 - Email attempts to enhance payments/contact and risk segmentation; and
 - multiple payment options including DebiChecks, Pay@, Direct Deposits, EFT, Master pass and Snapscan options.
- Administration of monthly payment arrangements until the account balance is fully repaid.
- Our objective is to increase recoveries of all debts regardless of magnitude, while remaining sensitive to your public image.
- Delivering admirable client services in commercial debt collections and consumer debt collections.
- If required, we will post soft-medium call centre collections.

- Your accounts can be referred at your request to a law firm for further legal action. The cost hereof will be for your own account.
- All monies collected will be credited to your bank account at the end of each month.

Biz Assist – Terms and Conditions:

1. All collection services are limited to one incident per year.
2. Accounts must be referred within 90 days of the invoice being raised.
3. We will ensure that the services are performed in a proper and efficient manner, but without guarantee of success.
4. We will ensure that we exercise the levels of care, skill and diligence which are necessary to enable us to fulfil our obligations under this contract.
5. We promote and advance in your interests and reputation and will not do anything to harm, or that is not in line with your interests.
6. We will perform the services with all due expedition, however the manner and timing of our performance of the services are at the discretion of Sigma and subject to compliance with the provisions of this contract.

Digital Presence

Monday – Friday, 8:00 – 17:00

In today’s competitive online environment, digital presence needs be structured to meet every end-user’s requirement - be it a choice of mobile device, engaging site content, subscription options or online purchasing. These features must integrate with social media platforms and communication driven systems, to continually drive site traffic and stimulate return communication.

At the same time, site owners are increasingly looking at optimising and applying user data and site analytics to make better online communication and marketing decisions across all media platforms, essential to driving their business forward.

Biz Assist service providers specialise in the development of full-circle online solutions that serve as optimum digital marketplaces with trackable results. In addition, they are also able to assist you with any branding or design requirements such as logo and email signature design, promotional brochures and leaflets, signage and vehicle branding to name but a few.

Starting up a small business entails executing a multitude of tasks – selecting and securing premises, enlisting staff, acquiring stock, setting up effective administration and accounting systems - often with limited resources and funds.

We will assist in the setup of a digital platform and promoting your online presence, as well as assisting with branding or marketing requirements.

- **Corporate Identity** – Provide us with a brief overview of your business and we will supply you with three graphic design logo options to choose from. Logo design only, stock images and photography will be excluded.
- **Domain Registration** – Provide us with the domain name you have in mind for your business and we will ascertain whether the domain name is available. If so, we will assist you in registering the domain, setting up your email accounts and choosing a cost-effective monthly hosting package.

If your domain is not available, we will assist you with alternative name choices. This does not include monthly Internet Service Provider (ISP) costs. Various ISP packages are available through us, depending on disk space requirements and will be for your own costs.

- **Splash Page** – Provide us with the details regarding your business and we will set up a splash page on your domain, describing your business offerings and providing contact details – telephone number, email address and social media account links. Splash pages create the ideal foundation from which to then fully design and construct your official website.
- **Facebook Business Page Set-Up** – Applying the information acquired from your splash page, we will set up your Facebook Business Page, targeting Facebook contacts that are applicable to your business. We will also assist you with initial artwork required – banner, profile image and initial post. This does not include monthly management and boost fees, but we have various packages available for your own costs.
- **Direct Mail Marketing Campaign** – We will provide you with a free newsletter template through which to introduce your business to 250 of your email contacts. We will circulate this for you via a dedicated newsletter system and will provide a full report-back function with features such as:
 - indication of bad email addresses that exist within the given database and
 - who clicked through on the message (a great tool for follow-up sales calls)
- **Free Consultation** – To discuss any additional requirements such as the development of your official website, developing a full corporate identity document, which includes official company colours and fonts, business cards, email signatures, office stationery, signage, vehicle branding and much more.

The above services not only provide you with an instant full-circle online presence, it also enables the immediate collection of site analytics and user data, to aid in further online communication and marketing strategies. The cost of this additional consultation and associated services are for your own account and is limited to one incident per year, up to an annual limit of **R4 250**.

Safe Drive and Convenience Drive

Whether you need to be driven home from a party, your car has gone in for a service, broken down, or even if you need to be dropped off at the airport, Biz Assist will ensure that you are transported to your home or work safely.

Safe Drive:

The driving team consists of a back-up driver, vehicle and lead driver who will drive you home in your own vehicle or if preferred, in the vehicle dispatched. The back-up driver will follow and collect the lead driver from your house.

- This service is subject to availability during peak periods.

We define peak periods based on statistics e.g. New Year's Eve & Friday nights etc.

- The vehicle's make and model cannot be specified.

Convenience Drive:

If you require a driver's assistance to get from point A to point B in one of our Taxi/Cab vehicles, our professional team of standby drivers will be at your service. Whether you are running between meetings, need an airport transfer or your car has been booked in for a service and you need to be collected from the dealership, you can rely on Convenience Drive for assistance. Pre-booking of this service 24 hours prior is required to guarantee pick-up time.

- This service is subject to availability in peak periods

We define peak periods based on statistics e.g. New Year's Eve & Friday nights etc.

- The vehicle's make and model cannot be specified.
- This service is limited to a 4-passenger vehicle including luggage suited to the vehicle's maximum capacity.
- Should an additional vehicle be required the call centre will assist on a best effort basis and the second vehicle will be deducted from the remaining annual trips.
- Passenger vehicles larger than a 4-passenger vehicle are excluded from this service offering.

Service Centres:

Johannesburg | Pretoria | Cape Town | George | Port Elizabeth | Durban | East London | Nelspruit | Bloemfontein

The benefit includes **Safe** and **Convenience Drive** trips to a radius of 50km per incident. Any additional kilometres travelled will be charged at the rate as charged by the service provider. Should you require additional trips, which are in excess of your annual trip entitlement, the call centre will facilitate the booking for your own account.

Additional passengers/drop off:

- Service is available to you and limited to your insured vehicle/s only. Up to 4 additional passengers can be transported at no cost provided that the entire trip is no longer than 50km and takes no longer than 1 hour and are ALL transported to one/main booked address.

- An additional cost of **R50.00** per additional/unplanned drop off will be charged. This arrangement needs to be discussed and authorised by our call centre to ensure efficient planning and upfront payment hereby guarding our drivers against the potential threat of carrying cash.

IT Helpdesk

Monday – Friday, 8:00 – 17:00

Biz Assist's IT advisors provide telephonic support to IT related issues to computers and laptops being operated in your business. Our advisors will troubleshoot and utilise technology solutions to gain access to your computer and attempt to resolve issues remotely, including installation of printers, connecting new equipment and installing software.

In the event that the issue cannot be resolved remotely, our team will dispatch a technician to your premises. This dispatch service is billed separately, directly to you at negotiated rates.

Technical Support offering includes:

1. Troubleshooting or maintaining self-service websites
 - Support via phone
 - Dispatch of service technicians at an additional cost
 - Single Point of Contact (SPOC) with call escalations
2. Software support covers:
 - Application software tools
3. Systems support covers:
 - Servers; PCs; workstations
 - Thin clients; storage devices
 - Terminals and peripherals

Managed Service

This allows a business to offload IT operations to a service provider, who will assume the ongoing responsibility for 24-hour monitoring, managing and/or problem resolution for the IT systems within your business.

This service will help you and your staff function at peak performance with as little downtime as possible. The traditional break-fix approach to IT is no longer sufficient in the modern business world and therefore we make it our responsibility to ensure that your servers and desktops operate exactly the way you would prefer. Engineers will monitor your systems daily to ensure that your IT is ready for each business day.

What does this include?

The managed services solution includes Windows Servers, Microsoft Application Servers like Exchange and SQL, Windows and Apple desktops, Internet connectivity, including ADSL lines and firewalls. We also maintain an ITIL compliant service desk with dedicated staff to ensure that every incident is logged, actioned and closed. This provides you with a detailed monthly report of your IT systems.

Our technicians have access to award winning remote-control software which allows our team to help your staff to get back to work as soon as possible. This impressive support is only a click away. Click on our Service Provider site, and we can make your computer problems disappear.

Our Service Providers are all highly trained and come with years of corporate network experience, which we apply to your environment.

Tender Assist

Monday – Friday, 8:00 – 17:00

The ability to keep track of relevant tenders for your specific industry can be costly and time consuming. Tender Assist allows you to specify the relevant industries wherein you participate so that we can assist you with pro-active notification of tenders as they arise.

You will be required to complete a questionnaire, setting out your industry type, as well as the type of tenders that you would be interested in participating in. Our team of advisors will utilise various tender search engines to pro-actively alert you of tenders that arise in the specified areas of business.

We will advise you telephonically on the completion of the tender and provide you with the relevant templates to ensure that you will be able to present a professional tender document.

Road Assist

Included with the Motor – Comprehensive; Motor – Third Party, Fire and Theft; and Motorcycle cover sections.

24/7, 365

These benefits offer comprehensive solutions for virtually any roadside emergency:

Breakdown Assistance:

This includes:

- towing to the nearest dealer after a mechanical/electrical breakdown;
- cover for the call-out fee plus one hour's labour for a vehicle locksmith if your keys are locked in your car;
- cover for the call-out and one hour's labour when assistance with a flat tyre/battery is required;
- emergency delivery of 10 litres of fuel (charged at cost and for the policyholder's own account);
- roadside referral;
- mechanic referral;
- directions service;
- 72 hours' storage after tows;
- notification and message service for family or business;

- if you are stranded more than 100 km away from home after a breakdown and your vehicle needs to be towed to a repairer, we will arrange and pay up to **R500** towards:
 - courtesy transport for you and a maximum of six persons to one nominated destination

OR

- hotel accommodation for you and a maximum of six persons if there is an overnight delay

OR

- car hire for a 24-hour period, subject to your provision of a credit card guarantee and limited to rental charges, delivery and collection of the hire vehicle, the first tank of fuel and surrender of the vehicle on arrival at your destination.

We will also pay up to **R500** towards the cost of collecting the vehicle and returning it to your business after the repair has been effected.

The Breakdown Assistance service has a maximum annual limit of three call-outs per insured vehicle.

Accident Assistance:

This provides:

- towing to the nearest approved panelbeater or yard after an accident; and
- collision procedure advice.

No limit is set for accident towing under this benefit.

If you do not call the designated towline after an accident, you will be personally responsible for the cost of the towing and storage of your vehicle. If your vehicle was towed to an unauthorised location and it is being stored there, repairs will be delayed while you negotiate the price to release your vehicle from their facilities.
